I am the owner or agent for the above described pet and have authority to execute this consent.

I hereby consent and authorize the performance of the following procedure(s) or operation(s): _____

I understand that during the performance of the foregoing procedure(s), unforeseen conditions may be revealed that necessitate an extension of the foregoing procedure(s) or operation(s) or different procedure(s) or operation(s) than those set forth above. Therefore, I hereby consent to and authorize the performance of such procedure(s) or operation(s) as are necessary and desirable in the exercise of the veterinarian's professional judgement.

If a dental is performed, extractions are only done, if a tooth cannot be salvaged otherwise.

I also authorize the use of appropriate anesthetics, and other medications, and I understand that hospital support personnel will be employed as deemed necessary by the veterinarian.

I have been advised as to the nature of the procedure(s) or operation(s) and the inherent risks involved with anesthesia. I realize that results cannot be guaranteed.

I understand that in order to provide the safest anesthesia to Rowdy, a pre-anesthetic health profile should be performed PRIOR to surgery under anesthesia. If I should utilize these safeguards, I realize that it will increase my bill accordingly as seen below: _____ (please initial).

A Blood profile will be used at the veterinarians discretion at an additional charge to ensure the safest environment for your pet while under anesthesia; however, these may also be requested on a per case basis by the owner or agent. In addition, pain medication will be prescribed by the veterinarian to manage your pet's condition at home
